**Play #5 CHANGE THE CHANNEL** (same as Sep. 19 show)

Intro song- Lazy by David Byrne

The rest of the tech stuff happens at the end of the script. Heres the last chunk.

LLOYD

I really feel like watching alligators getting shot.

EDIE

Princess! Princess! Princeeessss!

KATE (Off)

It's "Kate!"

(Sound of door slamming.)

LLOYD

Gawd dammit.

EDIE

Well, we can eat cheese balls while we watch.

(The large container of cheese balls is just beyond their reach. They slink down in their seats to attempt to reach it with their feet. They still can't reach it. As they struggle at this the TV gleefully announces "WHEEL! OF! FORTUNE!")

IMMEDIATE BLACKOUT.
